<b>Grid Ref.</b>	OS Sheet 68 S635 378

## Walk Directions

Woodstock House Gardens and Arboretum can be accessed on foot from Inistioge Village via the Woodstock Loop Walks.

### Woodstock Loop - 4.5Km ➡

From the trail head in the village follow the RED waymarkers. The route will take you across the beautiful Inistioge village square and onto Point Road where you will follow the River Nore past the Ice house and onto the site of the former walled garden. After approx. 2.5Km you will reach Woodstock House Gardens and Arboretum, take time to look around and enjoy. Your journey back to Inistioge will take you along the original Woodstock avenue until you turn right down to Mount Sandford Castle. The view here is amazing; looking down over Inistioge and the 10 arch bridge crossing the River Nore. Keep on going for the last short stretch where you will re-join Point Road and the route back into the village.

The Woodstock Loop can also be accessed from the carpark at Woodstock House Gardens and Arboretum.

### Ladies Loop - 3Km ➡

From the trail head in the village follow the BLUE waymarkers. The route will take you across the beautiful Inistioge village square and onto Point Road where you will follow the River Nore until you reach the Ice house. After approx. 1.5Km you will turn right off the main route and follow the trail for a further 800m to Mount Sandford Castle. The view here is amazing; looking down over Inistioge and the 10 arch bridge crossing the River Nore. Keep on going for the last short stretch where you will re-join Point Road and the route back into the village.
